

A Directory of Frank Lloyd Wright Associates:

ALL ASSOCIATED PEOPLE 1889 TO 1959

This list includes all people associated with Wright from 1889 to 1959.

The file is sorted by year of association, and alphabetically within the year. The total number of entries for each year is listed as "count" at the end of each year. The 1800's sort last.

There were a few ladies who were known under more than one married name. They are listed in parenthesis at the beginning of each year under all known married names, and in the list proper under the last known name.
