FRANK LLOYD WRIGHT

A Directory of Frank Lloyd Wright Associates:

APPRENTICES 1929 to 1959

This list includes only apprentices at Taliesin during Wright's lifetime. It does not include family members, progeny, or musicians. It does include the Taliesin Men who were at Taliesin at the time the Fellowship was founded and remained there for a period thereafter.

Some ladies were known under several married names. They are listed first in parenthesis under all married names and then in the main body of the list under their last known name.

The list is sorted alphabetically by last name. The date is the entry date to Taliesin.
