APPRENTICE ONLY LIST

This list includes only apprentices at Talieisn during Wright's lifetime. It does not include family members, progeny, or muscians. It does include the Taliesin Men who were at Taliesin at the time the Fellowship was founded and remained there for a period thereafter.

Some ladies were known under several married manes. They are listed first in parenthesis under all married nanes and then in the main body of the list under their last known name.

The list is sorted alphabetically by last name. The date is the entry date to Taliesin.
