TFResidenShortTFIn

ALL RESIDENTS AT TALIESIN INCLUDING FAMILY, MUSICIANS, APPRENTICES, ETC. Also included are employees/apprentices from the Oak Park Studio/Japan/etc. Female residents with more than one last name are listed at the beginning of the list in parenthes for information only and then listed alphabetically under their last known name. We are also lapping centuries so that people associated with Wright prior to 1900 sort last and can be distinguished by an HF (Honorary Fellow) in column #3. The Honorary Fellows are listed separately elsewhere in this data base.

Information is sketchy on people in residence after April 1959 but are included based on informatiion available to me.

Sort is by last name.
